Celina Insurance Group Donates to the Combined Services Drive

Celina, Ohio/USA – (10/18/17) Celina Insurance Group and its employees recently donated \$23,221.72 to the Celina Combined Services drive. The funds will help support local programs, many of which operate on charitable donations.

The majority of Celina Insurance Group's 175 employees contributed to the campaign with the final tally exceeding the company's goal. The campaign lasted for two weeks, and employees had the option of pledging cash or selecting to give through payroll deduction.

Celina management offered an incentive to employees who participated in the drive. All individuals who contributed were entered into a drawing for a paid vacation day. This year's winners are Doug Billerman and Jake Eilerman.

Founded in 1914, Celina Insurance Group is comprised of four mutual property and casualty insurance companies. Celina underwrites auto, non-standard auto, farm, home, commercial auto and property insurance, as well as umbrella and casualty coverage in six Midwestern states. Celina Insurance Group is represented by some 500 independent agencies.
